BUSINESS ITEMS

Alexander & Baldwin received a
telegram from New York yesterday
evening to the effect that indications
were for an advance in refined sugar
and holders of raw were asking higher
prices.

Depression ruled the New York
stock market yesterday. Unfavorable
monetary conditions in Europe were
made much of, while satisfactory re-
ports of conditions at home were ig-
nored. Sentiment was bearish, al-
though trading was confined almost
entirely to the professional element.

Following were the closing quota-
tions for Hawaiian stocks in San
Francisco yesterday: Hawaiian Com-
mercial, 34.50 bid, 35.25 asked; Ha-
waiian Sugar, 34.75 bid, 35.50 asked;
Honokaa, 7.50 asked; Hutchinson,
16.50 bid; Kilauea, 12 bid; Onoua,
52 bid; Paauhau, 16.37 1-2 bid; Hono-
lulu Plantation, 30 asked.

Work has been started by J. H.
Craig, architect and builder, on the
new dwelling of Mr. and Mrs. George
C. Beckley at Diamond Head. It will
cover an area of 125 feet frontage
and 105 feet in depth, and the style
is classical renaissance. Features of
the ground floor will be a ballroom 30
by 60 feet, a fernery opening into the
reception hall and ballroom, a lanai 26
feet by 82 feet and a pergola extend-
ing to the ocean front. On the second
floor there will be eight bedrooms,
each to have its own bath. Island
stone will be used for facades, the
main construction being of wood.

There is real help for your nerves in Sanatogen

THE assurance that there is real
help for tired, exhausted nerves
has come as a veritable boon to
thousands of men and women---in a
crisis when their nerves have broken
under the taxation of strenuous
effort, debilitating illness or weaken-
ing worry.

There is no condition where lack of
physical or mental vigor more quickly affects
efficiency than a lowering of nervous vitality.

The universal indorsement of Sanatogen by
over 16,000 physicians gives scientific authority
to the enthusiastic praise it has received from
multitudes of grateful men and women who
date their return to nerve-health from its use.

• If you find yourself with shattered, weak-
ened nerves---at a stage where work is driving
effort---where you lack interest in things
in which you formerly took pleasure---where
digestion is impaired---where sleepless nights
are the rule---where you are irritable---you will
do well to give heed to what these physicians
have said about Sanatogen.

Sanatogen is a nerve food---scientifically
combining the elements necessary to feed the
nerves. It is a compound of purest protein
and organic phosphorus in a form that readily and easily digests---
imposing no burden upon the most delicate stomach---and not
causing harmful temporary stimulation. Sanatogen is just cell and
nerve food---pure, real, ideal.

You may find Sanatogen is what your nerves need.

Write for a Free Copy of "Nerve Health Regained."

We ask you earnestly to get acquainted with Sanatogen. Investigate
our claims first, if you like, and we are only too glad to have you do so.
Ask your doctor about it, and in any case write at once for our book,
"Our Nerves of Tomorrow," written in an absorbingly interesting
style, beautifully illustrated and containing facts and information of
vital interest to you. This book also contains evidence of the value of
Sanatogen which is as remarkable as it is conclusive.

Sanatogen is sold in three sizes: \$1.00, \$1.50, \$3.60

Get Sanatogen from your druggist---if not
obtainable from him, sent upon receipt of price.

made definite arrangements to leave.

LITTLE INTERVIEWS

J. W. CALDWELL---That propo-
sition to make a boulevard of Beretania
avenue and shut heavy hauling out of
it is the most absurd thing heard in
a long while. We paved King street
a year ago and there has been no
limit to the heavy hauling on it, yet
it has not made a mark on the pave-
ment.

BILL TO CHANGE TAX ON INCOMES INTRODUCED

The promise made by Senator Rice
that he would introduce and support
an act to amend the present income
tax, raising the amount of exemption
from \$1500 to \$2000, was made good
yesterday afternoon, when the floor
leader asked that the rules be sus-
pended and that he be permitted to
introduce his bill, which was allowed.
Senator Penhallow, who next ob-
tained the floor, made a similar re-
quest that the rules be suspended. It
being granted, he introduced an act
against trespassing on private prop-
erty.
